1. What is Friends of Camp Concord (FOCC)?

Established in 1983, Friends of Camp Concord is a nonprofit organization dedicated to supporting Camp Concord through sponsoring camperships for underprivileged children and families, to promote greater awareness and use of Camp Concord, to establish and carry out projects at camp, and to help provide better camp facilities.

2. How can I join FOCC?

There are 3 ways to join Friends of Camp Concord:

- (1) Make a monetary donation {there are three levels: \$100 = Friend of Camp Concord, \$250 = Campfire Circle, and \$500 = Inner Campfire Circle}, or
- (2) Join the FOCC Board and working at either the FOCC Golf Tournament in October, or
- (3) Work one of the Work Weekends up at Camp Concord in either the Fall or the Spring.

3. What are the benefits to joining FOCC?

There are many benefits from joining the Friends of Camp Concord, for example:

- (1) FOCC members get to select the dates and the cabin of their choice (during the camp season) for their stay at camp. This is an **exclusive** FOCC member privilege.
- (2) FOCC members get to register before the general public—another **exclusive** FOCC privilege.
- (3) Use your donation as a tax write off.
- (4) In addition to these member privileges, you also know you helped children and families in need experience an amazing area and camp program.
- (5) Members also receive a \$50 per family discount for Youth Camp.

These are just a few of the member benefits you will enjoy as a Friends of Camp Concord member. Here's how to sign up.
