Save the date for S'more Camp Concord, a Virtual Campout!

Because we could not be together for the Annual Friends of Camp Concord Golf Tournament, we hope you will join us by the virtual campfire to enjoy camp stories, eating s'mores, and raising critical funds to send underserved youth to camp in 2021.

With going virtual, we will attract not only long-time supporters, but new families to experience the beauty of Camp Concord, while learning how youth thrive when they get out of the urban setting, make new friends and enjoy the unique experience of being outdoors.

The Campout will feature Dan Ashley, live and silent auctions, and a tribute to Jorge Santana.
