About Friends of Camp Concord:

Friends of Camp Concord is involved in a unique partnership with the City of Concord and provides award-winning programs to families and children throughout the region. We offer multiple one-week sessions in South Lake Tahoe, CA to a variety of groups that provide campers with caring, well-trained counselors and a unique group living situation. The impact of this experience is an organized resident camp environment. This environment helps children develop their potential by teaching them new skills, encouraging them to take healthy risks, and accepting them as part of an important group.

Friends of Camp Concord annually scholarships over 400 kids to attend camp on a full or partial scholarship. Their mission is to sponsor camperships for underprivileged children and families, promote greater awareness and use of Camp Concord, establish and carry out projects at camp, and help fund improvements to the camp facilities.

Life at Camp

Camp Concord is a sleep away camp nestled in the forest within walking distance to Lake Tahoe and Fallen Leaf Lake, and minutes from a world class bike path! We bring the fun with activities such as archery, canoeing and kayaking, tie-dying, hiking, and of course beach time fun! Our staff will have fun right along with the campers, acting as a role model as they introduce children to the wonder of the outdoors, and gain an experience of a lifetime!
